JTS' Arriviture® TMS Named Recipient of 2024 "Top Software & Tech Award"

Fresno, CA – December 26, 2024 — JTS (Johanson Transportation Service), a premier third-party logistics provider, announces that *Food Logistics* named JTS as one of the winners of the Top Software & Tech Award for enhancements to their Arriviture® TMS. The award spotlights new-to-market software and technology solutions designed to provide automation, efficiency and visibility to the supply chain space.

Craig Johannson, President of the LTL Division says, "JTS is driven to leverage the latest automation and analytical tools to raise the bar on what is achievable in a TMS platform. Arriviture is the expression of our 54 years of supply chain experience, dovetailed into cuttingedge technology."

"Automation, sustainability, smart technology, supply chain optimization and risk management were the major themes of this year's new software and technology solutions. These new products and enhancements are upping the ante in modernizing how product moves through the chain, and I appreciate everything this year's winners do to ensure the safety, security and sustainability of our supply chains," says Marina Mayer, Editor-in-Chief of Food Logistics and Supply & Demand Chain Executive.

About Food Logistics and Supply & Demand Chain Executive

Food Logistics reaches more than 26,000 supply chain executives in the global food and beverage industries, including executives in the food sector (growers, producers, manufacturers, wholesalers and grocers) and the logistics section (transportation, warehousing, distribution, software and technology) who share a mutual interest in the operations and business aspects of the global cold food supply chain. *Supply & Demand Chain Executive* is the only supply chain publication covering the entire global supply chain, focusing on trucking, warehousing, packaging, procurement, risk management, professional development and more. *Food Logistics* and *Supply & Demand Chain Executive* also operate SCN Summit and Women in Supply Chain Forum.
